

Lakes Athletics Association

Baseball Sponsorship Agreement

The Lakes Athletics Association (LAA), in conjunction with Lakes Competitive Baseball (LCB), would like to offer this amazing opportunity for you to support our community and local youth in making lifelong memories with baseball. LAA is a non-profit youth baseball organization serving the citizens of Commerce Township, Wolverine Lake, Wixom, Walled Lake, West Bloomfield, White Lake, and additional surrounding areas. We are a self-funded organization dedicated to encouraging the development of sportsmanship, fair play, and moral standards for all, while developing skills in the game of baseball for youths ages 4 – 18. Every dollar of support received is fully invested back into the league, the facilities, and improving the safety, security, and experience for our community every day. We would like to sincerely thank you for your continued support.
